Study

You are all welcome to tonight's bible study in Jesus name;, tonight's study is for every believer most especially ministers of the gospel. You must have heard of the story of different ministers of the gospel in the scriptures, but we will be picking himone out of these ministers of God and try to learn one or two things from them,that is why I would like everyone of us to concentrate tonight as the Holy Spirit opens our understanding and grant us communion as we learn at Christ's feet. Amen.

Let's read from the book of 1 Kings 13:1-11

And, behold, there came a man of God out of Judah by the word of the LORD unto Bethel: and Jeroboam stood by the altar to burn incense. And he cried against the altar in the word of the LORD, and said, O altar, altar, thus saith the LORD; Behold, a child shall be born unto the house of David, Josiah by name; and upon thee shall he offer the priests of the high places that burn incense upon thee, and men's bones shall be burnt upon thee. And he gave a sign the same day, saying, This is the sign which the LORD hath spoken; Behold, the altar shall be rent, and the ashes that are upon it shall be poured out. And it came to pass, when king Jeroboam heard the saying of the man of God, which had cried against the altar in Bethel, that he put forth his hand from the altar, saying, Lay hold on him. And his hand, which he put forth against him, dried up, so that he could not pull it in again to him. The altar also was rent, and the ashes poured out from the altar, according to the sign which the man of God had given by the word of the LORD. And the king answered and said unto the man of God, Intreat now the face of the LORD thy God, and pray for me, that my hand may be restored me again. And the man of God besought the LORD, and the king's hand was restored him again, and became as it was before. And the king said unto the man of God, Come home with me, and refresh thyself, and I will give thee a reward. And the man of God said unto the king, If thou wilt give me half thine house, I will not go in with thee, neither will I eat bread nor drink water in this place: For so was it charged me by the word of the LORD, saying, Eat no bread, nor drink water, nor turn again by the same way that thou camest. So he went another way, and returned not by the way that he came to Bethel. Now there dwelt an old prophet in Bethel; and his sons came and told him all the works that the man of God had

done that day in Bethel: the words which he had spoken unto the king, them they told also to their father.

In this chapter we have the story of a man of God and the Old prophet, The man of God was commanded by God to go and speak against the altar of idol worship Jeroboam made,he spoke against the altar and when Jeroboam wanted to arrest the man of God he stretched forth his hand from the altar towards the man of God shouting "lay hold on him!" And his hand withered instantly.

I don't know if there is anybody following.

From the verse above we can see that God commanded the man of God not to eat nor drink at Bethel and should not return to Judah the same way he came. He followed the instructions to the last until an old prophet went after him, the Old prophet was not there when the man of God was speaking with Jeroboam, he was not also there when the man of God gave the king a reply, but we are made to understand that he got the information from his children. The king promised him a reward if he would come to his house to refresh himself but the man of God was so careful enough to follow the instructions given to him by God. 1 Kings 13:12-14 **And their father said unto them, WHAT WAY WENT HE? For his sons I had seen what way the man of God went, which came from Judah. And he said unto his sons, Saddle me the ass. So they saddled him the ass: and he rode thereon, AND WENT AFTER THE MAN OF GOD, and found him SITTING UNDER AN OAK: and he said unto him, Art thou the man of God that camest from Judah? And he said, I am.** God told the man of God to go back to Judah in another way but here we find him sitting under a tree what was he doing there? probably resting,assuming he had not waited there, the Old prophet might not have catch up with him.

This tells us that as Christians and servants of the Most High God we must not rest when the mission God sent us to achieve is not yet accomplished, we must follow every of his instructions carefully, It is a dangerous thing to rest when one has not gotten home, assuming the man of God decides to get home before resting he might not have been caught in the web he finally found himself. Every man of God should know that there will always be an old prophet who would always want to go after them. Just the same way the man of God sat under the tree to relax is the same way many believers who should focus on how to get to their heavenly homes are relaxing under the tree of conveniency. He heard the voice of God clearly and could even confirm that He had actually sent him when Jeroboam stretched forth His hand against him and it dried up, one thing about this man is that he was not a novice in listening/hearing God, he recognised the voice of the Lord clearly, that he could discern that it was actually God that was sending him. Before a man can go and stand before a king and say this is what the Lord God says then such a person must be sure of what he saying, God confirmed that he was actually the one that sent him by bringing the sign he gave the King and it came to pass.

The Bible actually recorded that he is a "man of God" that is, a true Prophet. But there are some lessons we have to learn from this man of God, Please follow carefully.

1. He did not have a sharp focus: It is a dangerous thing for a believer not to define his priorities well, we must always be focused. To be focus means to direct your attention or effort at something specific, going back to Judah after delivering God's message to the King should have been this man of God main focus, that is, until he gets home he has no other business somewhere else. But the mistake he made was that he decided to relax. Most times it is lack of focus that makes a man relax where he is not supposed to relax, It might have been that he was hungry and tired just the same way it is these days ,in this Christian journey many of us are hungry and tired, which has made us to soft pedal in our heavenly race.

The way many people started running this Christian race is not the same way they're running it currently ,they have gotten weary and are resting and this is not supposed to be since we have not gotten home. Do you remember when you first gave your life to Christ? the love you had for Christ then,? is it that same love you still have for Him? Things has really changed yet some are relaxing thinking there is comfortability here. As believers, seeking the kingdom of God is our goal,that is why we suppose to continue looking unto Jesus Christ the author and the finisher of our faith. It is when we are not focused on Christ that we tend to have some rest but when our full attention is focused on Christ we would not relent no matter how challenging the race might be, until we have finally delivered the message God wants us to deliver here on earth, then return back home to Him. Let everyone of us be well focused on Christ, different types of things will come up but the only way you can overcome is by focusing on Christ ,if you focus on something else there is no how you will be able to make it at last. Apostle Paul said through the Holy Spirit in 1 Corinthians 9:24 KJV **Know ye not that they which run in a race run all, but one receiveth the prize? SO RUN, THAT YE MAY OBTAIN.** So no stopping at the middle of the road, it is until you get home, until you obtain it. The man of God started the race well .

Do not rest at where there is no perfect rest.

2. He talked too much: One might be wondering how he had talked too much, but of a truth he was a talkative,he was the one that made what God told him to be known. He was not covetous, nor greedy ,nor a womanizer, he did not love money, we see that he rejected the reward King Jeroboam wanted to give him. Despite having all these qualities he did not pay adequate attention to little sensitive details in his life, which is talking too much. 1 Kings 13:7-9 **And the king said unto the man of God, Come home with me, and refresh thyself, and I will give thee a reward. And the man of God said unto the king, If thou wilt give me half thine house, I will not go in with thee, neither will I eat bread nor drink water in this place: For so was it charged me by the word of the LORD, saying, Eat no bread, nor drink water, nor turn again by the same way that thou camest.** From these verses above we are able to see where his mistakes started from. God gave him an instruction go! Prophecy! and return home,he did not say go!, prophecy!, and

explain what I have told you to do and not to do to the King and the people but he went ahead to explain

In verse 7 the king said he should come with him and refreshen himself and receive a reward but he refused. Rewards were nothing compared to the instructions given to him by God, then in verse 8 he answered well, assuming he had ended his statement there by bridling his tongue nobody would have known what God told him not to talk of setting a trap for him through that way. David understood the importance of bridling one's tongue that was why he said in Psalm 39:1 **I said, I will take heed to my ways, that I sin not with my tongue: I will keep my mouth with a bridle, while the wicked is before me.** But this man of God did not take note so he went further to say everything in verse 9 that was where the sons of the old prophet heard what God told him and they went ahead to report to their father, assuming they had not told their father all the man of God said he wouldn't have pressed so much on the man of God to come and eat in his house even to the point of lying to him. 1 Kings 13:18 **He said unto him, I am a prophet also as thou art; and an angel spake unto me by the word of the LORD, saying, Bring him back with thee into thine house, that he may eat bread and drink water. But he lied unto him.** The man of God directly told the Old prophet what God told him, this shows that he was an experienced minister of God.

We must learn to bridle our tongues it is not all personal instructions given to us by God that we should tell people, men of God don't talk too much, even as a Christian you should not be a chatter, we should all learn how to keep some things to ourselves. Many has failed in this area, they have been wounded by unfriendly friends, Just like the old prophets many have told whom they are not supposed to tell about their destiny, some would want to do something spectacular and great yet they would announce it to the world before starting, all these people are only calling for the Old prophets of their lives to run after them. We should learn to keep our tongues, if we do not want the old prophets to cut our destiny short.

3. He was not discerning, so he believed every spirits: as a Christian you don't believe every kind of spirits. We are commanded not to believe every kinds of spirits. 1 John 4:1 KJV Beloved, BELIEVE NOT EVERY SPIRIT, but try the spirits whether they are of God: because many false prophets are gone out into the world. Because the old prophet said "God said", he believed. There are many people who say "God said" these days when God has not spoken, there are times you have to checkmate what someone tells you with what God has told you before, there are certain things if anyone comes to tell me now that I will discard instantly no matter who the person is, no matter how respected he is too, because they are not in accordance to what God has told me, when God gives you an instruction and did not come back to tell you He has changed the instruction it is wise to discard whatever anyone says against it and if you want to get confused, pray seriously to hear from him or tell him to give you a sign to know if what the person is saying is true or not. In this end-time, false Christ will come to deceive many because they believe every kinds of spirits. The man of God had the grace and was blessed to the point that he was able to recognise God's voice, he could have even asked God at

that point but he believed all spirits and assumed that the old prophet would not have been lying.

How many costly assumptions have you made in life? Any Christian who believes all kinds of spirits especially in this end time will not be able to finish his race well because, there are many spirits that speaks through the old prophets of this generation whose aim is to see that you do not obey the voice of the Lord your God. We have been talking about the story of the Man of God and the Old prophet, now we have to learn one or two things from the life of the old prophet too.

1 Kings 13:14-19 *And went after the man of God, and found him sitting under an oak: and he said unto him, Art thou the man of God that camest from Judah? And he said, I am. [15] Then he said unto him, Come home with me, and eat bread. [16] And he said, I may not return with thee, nor go in with thee: neither will I eat bread nor drink water with thee in this place: [17] For it was said to me by the word of the Lord, Thou shalt eat no bread nor drink water there, nor turn again to go by the way that thou camest. [18] He said unto him, I am a prophet also as thou art ; and an angel spake unto me by the word of the Lord, saying, Bring him back with thee into thine house, that he may eat bread and drink water. But he lied unto him. [19] So he went back with him, and did eat bread in his house, and drank water.* If we observe what the old prophet said carefully, we would see that he already knew what he wanted to do, his heart had already devised it. That is why Jeremiah 17:9 says " The heart is deceitful above all things, and desperately wicked: who can know it?" The heart is deceitful and it's only God that knows the intents of the heart, an husband can not know what is in the mind of his wife no matter how many years they have lived, same with the wife to her husband, it is because of the state of the heart of a natural man that has made some husbands use their wives for ritual in other to make money, some used their children, many lied and turned digits to get money at their work place, many pastors use diabolical powers to bring members to their churches, some friends have killed, lied against, slandered their friends because of jealousy, just because of their wicked hearts, but as humans we cannot know what is in their hearts and what we can only guess according to our human capabilities.

Here the Lord is telling us that the heart of man is desperately wicked!! Not only is it wicked, but desperately! It's only a life that is filled with the Holy Ghost that will not devise evil.

The Old Prophet opened way for the deceitful and wicked part of his heart to take over him, the devil does not want us to keep a pure heart, so he would always look for an entrance to pollute our hearts and he succeeded over the Old Prophet. It is an established fact that there are many Old Prophets these days and they know themselves. *Sometime ago I was told of a prophet who used to say that, whenever God tells him to give an instruction to someone, he use to pray that the person should not believe the message and not to do what he has instructed, so that he can know that it was God that actually spoke through him when destruction finally comes upon the person as a result of his unbelief, this is a typical example of the Old Prophet As*

ministers of God and believers as a whole we have to be careful of the attributes of the Old Prophet, because it does not speak well of the Spirit of God which we claim to possess.

1. He worked on a positive report in a negative way: the children of the Old Prophet came to him and told him all the man of God had done at bethel, then the next action was to go after him so that he can commit errors. You see, for him to take such a quick decision shows that his heart was not right, probably why God boycotted him to speak to another Prophet to come all the way from another city (Judah) to bethel, despite the fact that he was living in bethel. It must also have been that as his children were given such reports to him he was thinking how would a Prophet come into his town to prophesy and perform such miracles making him feel unimportant or treated without regards. He might have also thought that the man of God did not come to take permission or pay homage to him before doing anything, we know that all these kinds of thoughts are not far fetched from an impure heart. Which ever way, the decision he took portrayed how dark his heart was, in the same way there are many Old Prophets who does not want anyone coming after them to rise above them, they see young ministers as a threat to the ego and ministry, It is common in churches these days, they assume that once the younger is being used mightily by God, the people will no longer be loyal to them and they would start following the younger one, all these they think in their hearts because they are filled with pride. They have forgotten what the scriptures says in 1 Corinthians 3:6-9 **I have planted, Apollos watered; but God gave the increase. [7] So then neither is he that planteth any thing, neither he that watereth; but God that giveth the increase. [8] Now he that planteth and he that watereth are one: and every man shall receive his own reward according to his own labour. [9] For we are labourers together with God: ye are God's husbandry, ye are God's building.**

Everything everyone does is to the Glory of God, because we are all labourers heading towards one particular goal which is to save souls and bring them into the kingdom of God but the Old Prophet did not care about this but is deeply rooted in self praises That is why we have to always check our lives to see if we have not started allowing ungodly thoughts to fill it up with dirt.

2. He led the man of God into errors, yet God spoke through him: because of the kind of evil heart the Old prophet possessed he could not see any fault in himself, neither did he see any reason to repent. Yet he proclaimed the judgment of God against the man of God boldly. 1 Kings 13:20-22 **And it came to pass, as they sat at the table, that the word of the Lord came unto the prophet that brought him back: [21] And he cried unto the man of God that came from Judah, saying, Thus saith the Lord, Forasmuch as thou hast disobeyed the mouth of the Lord, and hast not kept the commandment which the Lord thy God commanded thee, [22] But camest back, and hast eaten bread and drunk water in the place, of the which the Lord did say to thee, Eat no bread, and drink no water; thy carcase shall not come unto the sepulchre of thy fathers.** From the above verses we could see it that despite the fact that the Old Prophet was not upright with God, God still spoke to him and he prophesied. The ways of God are unfathomable, that is why it is

very dangerous to measure the standing or uprightness of a man with God through his calling and gifts and not through his fruit. This is because even if a man derails from the path of Holiness and Righteousness his gifts would keep on working. That is why a lot of people are being deceived these days when you tell them this is what the word of God says they should do and not do, they would start mentioning the names of some great ministers of God who are doing these things and God is using them mightily, they will then ask that is it not God that is using them and are they all going to hell? At the same time they refuse to note that God is not a respecter of persons.

But here we can see that the old prophet just sinned by lying, yet God spoke through him to prophesy against the man of God.

There are ministers who would go right from the bed of adultery to the altar of God to perform miracles, yet God would use them, does that make adultery not a sin before God? Of course . This point to the fact that truly the gifts and callings of God are irrevocable. Romans 11:29 **For the gifts and calling of God are without repentance.** As a man of God and a believer in Christ Jesus, this is the more reason why you have to be very careful , do not think because you can still hear from God, speak in tongues, prophesy, see visions, dream dreams, use the word of wisdom and knowledge, teach, perform miracles and even preach powerful messages on the altar then you're on track, this is not always so because a man can possess all the gifts of the Spirit and still miss heaven, but he cannot possess all the fruit of the Spirit and miss heaven. It is only a baby Christian that measures his walk with Christ through the gifts of the Spirit he possesses, while a mature Christian would measure his growth level through the fruit of the Spirit in him and how well he has been able to conform into the image of Christ. Until Christians come to the understanding that supernatural things that happens at times can be done also by newly inexperienced converts, because God allows it at times by Grace, we would keep running into errors and following heresies just because we are dull of understanding, may we not be dull of understanding in Jesus name. Amen

3. He could only see the fault of the other prophet and not his: despite that the Old Prophet was the one who led the man of God from Judah into sinning by lying to him, he was still bold enough to pronounce judgement on him, this shows one of the attributes of the Old Prophets in the lives of the younger ones, they make them commit errors and are the ones who would still pronounce judgements on them even without feeling any remorse. There are churches where young ministers are allowed to dress seductively, they are allowed to put on tight fitted tops and skirts that are above the knee and even trousers as females, the brothers there too are allowed to unbutton their shirts in the church and their pastors will keep on saying they should be left alone that they are youths and that is what is trending these days. Because of this, the Spirit of lust and immorality has now gained a firm ground in such churches which has made the youths to be engaging in premarital sex and different kinds of sexual perversions, but the moment any of them is being caught at the back of the church in sexual immoral acts, these Old Prophets in form of pastors would be the ones to sit among the disciplinary committee to pass sanctions on them.

The Old Prophet should have felt ashamed to say what the Lord said, but he proclaimed it firmly with all boldness since the verdict was not against he himself. "Because you did not obey the word of the Lord" forgetting that he is guilty of falsehood. Old prophets do not see their own faults but can only see that of others. As believers, we should always be mindful of correcting our own faults first before correcting that of others, those who are fond of seeing other people's fault without seeing their's are hypocrites according to the Lord Jesus Christ. Matthew 7:5 **You hypocrite, first get the beam of timber out of your own eye, and then you will see clearly to take the tiny particle out of your brother's eye.** Therefore let's do away with all these attributes we have been talking about which are not of God but of the Old Prophet.

Are you not an old prophet?

In conclusion,

We could see that the mistake the man of God from Judah made cost him his life, he was killed by a lion and died a tragic death just because of the handiwork of the Old Prophet of his life. 1 Kings 13:23-24 KJV **And it came to pass, after he had eaten bread, and after he had drunk, that he saddled for him the ass, to wit, for the prophet whom he had brought back. [24] And when he was gone, a lion met him by the way, and slew him: and his carcase was cast in the way, and the ass stood by it, the lion also stood by the carcase.** Beloved, as Ministers in God's vineyard, we have seen what became of the man of God from Judah, it was such an unfortunate matter, God did not spare him because he was deceived by a prophet, judgement came upon him for not obeying the voice of the Lord as commanded. This tells us that with God there are no excuses. There is nothing like ignorance when it comes to God bringing his judgement upon sinners. *"It was my pastor that deceived me, he did not tell me it was a sin, he said it is not that bad, that we can use artificial things on our bodies, that it was God that created everything and that Satan did not create anything, it was my pastor that said plaiting is not bad for females, he said masturbation is not a sin, he said we can drink alcohol in as much as it has little percentage, that palm wine is not bad too for our health that it's a natural product, he said we don't need to cover our hair when praying as women even in the church too. He said all what God looks at is our hearts".* But beloved God's judgment is coming without excuse. One could have been thinking that what happened to the man of God from Judah was not his fault but this tells us that at the end everyone would stand before the throne of judgement to receive their own judgements and there is no excuse or laying of blames for not following the ordinances of the Lord God Almighty. We are all expected to read the word of God as that is where His instructions to everyone of us is, and we are to obey it. Don't be like the man of God by being deceived not to obey God's word.

Dear Christian, the mistake made by the man of God from Judah should not also be made by you, try as much as possible to learn from his own mistakes and not from yours because as you can see he had no opportunity to repent and make corrections. Let's learn to obey God and all he has said carefully, because He is not a man that He

should lie neither the Son of man that He should change. Our God does not change, nothing like modernized/civilized Christianity. He is the same yesterday, today and forever - Hebrews 13:8. 1 Kings 13:29 KJV **And the prophet took up the carcase of the man of God, and laid it upon the ass, and brought it back: and the old prophet came to the city, to mourn and to bury him.** Here we could see that the Old Prophet carried the body of the man of God to the city and gave him a befitting burial. He aborted the glorious star(Destiny) of the man of God and gave the glorious star a befitting burial in the grave where he cannot use it. If not that the man of God died, it's possible that he would have been one of the great prophets whose name would have been written . But Alas! He died like a chicken, What a pity!

Please beware of Old Prophets.

God bless you.
